

REMARKS

Claims 1-17 are pending in the application. All of these claims were allowed with the exception of claims 14 and 15 that were the subject of a restriction requirement.

5 Applicants have canceled claims 14 and 15, without prejudice, from the application and believe that the application is now in a condition for allowance. Applicants thank the Examiner for indicating the allowability of claims 1-13 and 16-17.

CONCLUSION

10 Inasmuch as each of the objections have been overcome by the cancellation of claims, it is respectfully requested that the rejections be withdrawn and that a timely Notice of Allowance be issued in this case.

Respectfully submitted,

15  (Reg. No. 45,877)
